Dear Community Partner,

On behalf of the North Middlesex District Minor Hockey Association in Parkhill, we are writing you today to offer an opportunity to advertise locally and request your support for the 2023/2024 Hockey Season. North Middlesex Jr. Stars is a thriving hockey association with over 200 local kids playing together to form 21 teams. These teams attract young players from surrounding areas such as Parkhill, Ailsa Craig, Nairn, and Grand Bend.

Our approach to sponsorship is similar to last year. There are Gold, Silver, Bronze and Tournament Sponsorship packages. Additionally, there are online and social media options. Please see attached for detailed information. We offer a variety of methods for your business to be recognized while supporting our young athletes and keeping registration affordable for the families within our communities.

The North Middlesex District Minor Hockey Association will host two tournaments this year. As a community, we would like to come together to help fund these amazing tournaments we are honoured to host. We have a great group of kids ranging in age from 3 to 17 years old who have a real love for the sport of hockey! Considerate donations received from Community Partners, such as you, are greatly appreciated and absolutely critical in continuing our development and helping us pay for the tournament expenses.

We invite you to be a proud supporter of our hockey club and to help us continue to create chances for young people in our area to play hockey while building friendships and memories that can last a lifetime. Please take advantage of advertising your business and being involved by choosing one of our sponsorship packages that works for you.

Kindly let us know either way by November 4th, 2023.

Please feel free to contact us if you have any further questions at sponsornmminorhockey@gmail.com or visit our website at www.northmiddlesexhockey.com.

We thank you for your consideration.

Sincerely,

Susie Kennes & Lindsay Brannon
North Middlesex District Minor Hockey Association
