 - III. 2 – 22 minute halves, with 2 minute warm up and 2 min break between halves. Both games are synchronized using the same clock. Warmup may be limited to ensure remaining on schedule
 - IV. 2 minute shifts in duration with an automatic buzzer to indicate player change. The clock continues to run throughout the 22 minute half. There will be 2 face offs during the game. 1 to start the game and 1 to start the second half.
 - V. Players change on the fly, if there are fewer than four players on the bench, the active player(s) designated to stay out for the following shift must tag up at the bench prior to continuing play.
 - VI. On the buzzer, players must relinquish control of the puck immediately and vacate the ice or tag up at the bench. The new players enter the ice immediately. Failure to immediately relinquish control of the puck or new players entering the ice surface prematurely may result in a penalty (see below) for the offending team.
 - VII. Goaltender freezes the puck - the official blows the whistle to indicate the attacking team to back off three meters and defending team takes possession. Puck out of play - the offending team backs off three meters and the referee give the non-offending team a new puck.
 - VIII. Penalties - Penalties will be called. Referee will explain call to offending player and coach. Teams do not play shorthanded. The player is removed from the shift and another player is added.
